Which of the KotOR Series games did you the fans like more?

We asked this question back in January. 214 KotOR fans took part in this poll and here are the official results:

- 51.4% Liked the original Star Wars: Knights of the Old Republic
- 28.5% Equally liked both KotOR1 and KotOR2
- 20.1% Liked Star Wars: Knights of the Old Republic II: The Sith Lords

Looks like the original is still the best. Time will only tell if KotOR3 provides a better competition.
