Hi KOTOR fans. A new and exciting RPG section has been added to the forums. It is a place where you can role play as certain characters in the KOTOR universe. The features of this game include:

- The ability to travel to many planets including Koriban, Tatooine and Onderon!
- You can take on the role of your character, and pick a proffession class, skills and weapons for your character.
- You can fly your own star ship across the galaxy!
- And loads more! So sign up and play today!
