## Weekly RPG News

## You have been invited to join the exchange!

Coming after thankgiving, all new professions, including working for the famous crime ogranization, the exchange!

New rules have been written for crime and corruption in the galaxy. Some of the highlights include:

- The ability to make a profit of spice running and dealing!

-The illegal modification of weapons!

-Climbing the ranks of the exchange from a petty boss, to a galaxy known faction leader of the exchange!

- Set up your own secret HQ and run your opperations however you like; posting bounties, ording transactions, hordring arms, waging war with other player rvial factions.

And much, much more! Check the forums for in depth rules and deatails!
